

SCHAUMBURG PUBLIC HOUSE

DINING GUIDE

Our Inspiration

Our inspiration comes from iconic mid-west family businesses: Cider mills and celebrated orchards of Michigan, the creameries & fisheries of Wisconsin and the Illinois craft-beer brewers found along Route 66.

SPH evokes the personality and culture of Schaumburg's early farming families by offering genuine hospitality and creative dishes showcasing the best beverage and food northern mid-America has to offer.

Our Mission

Make yourself at home. Kick back and relax in a warm, comfortable space. Cozy up with friends and a locally brewed pint or rattle a glass of small batch bourbon with your best mate. Let the hearty, hand crafted dishes nourish your body and spirit. You are invited to feel at home at our House.
